

## Mission CHAMBER orchestra

### BEHIND THE NOTES

The **Mission Chamber Orchestra** (MCO), based in Europe, is an established international musical string ensemble - dynamic and alternative. During the past years, this artistic and humanitarian chamber orchestra formed by the organization **Musicfor**, has been acclaimed throughout Europe, America and Africa. Its musicians are experienced professionals – graduates and faculty members of noted conservatories: Rome, Turin, Geneva, Berlin, London, Paris, Belgrade, Tbilisi.

Their artistic activity is devoted to presenting musical excellence as well as organizing performances - a large proportion of which are of high humanitarian importance. From Baroque to Contemporary, the MCO offers innovative programs to provide its audience with a wide range of musical choice: from Bach, Vivaldi, Mozart and Beethoven to Mendelssohn, Bartok and Tchaikovsky as well as Berio and Varese.

The MCO reflects Musicfor's organizational mission; it devotes much of its musical activity to the development and support in the most disadvantaged areas in the world. Thousands of children have thus the opportunity to approach music and broaden their perception and their perspective on life.
